Dear Mr. Chu,

Thank you for your interest in Millennium Hotels and Resorts.

Millennium Hotels and Resorts is a globally recognized hospitality company with over 130 hotels worldwide and more than 37,000 guest rooms. This dynamic hospitality group manages its network of properties through eight distinct global brands – The Biltmore, Leng's, Grand Millennium, Millennium, M Social, Studio M, Copthorne, Kingsgate – throughout Asia Pacific, Europe, Middle East and North America.

Each brand represents a wide variety of hotel styles, with high standards of service and facilities in every property, designed to meet the diverse needs of today's travellers.

We are pleased to offer **15% discount** on The Flexible Rates (also known as Best Available Rates) to China Airlines and its affiliates and subsidiaries, globally at our participating hotels worldwide. The NLRA rates include wireless internet access. Please refer to the attached list of participating hotels for more details.

I can confirm that your rates have been successfully loaded and are now available for booking by your travelers through your online booking tool. Alternatively, travelers can also access your preferred chainwide rates for leisure travel via our website, www.millenniumhotels.com. To do so, they can enter your Corporate Rate code, **CWCAIR**, in the promo code field.

I would appreciate if you would sign and return this agreement, to indicate your acceptance of our Global Discounted Rates.

Once again, I thank you for your interest and future support to Millennium Hotels and Resorts.

I look forward to receiving your confirmation.

Warm Regards,

Eunice Wei
